

“Capresso” combines the words “cappuccino” and “espresso” to produce something new and distinctive in the world of coffee.

Performance, Convenience and Reliability

Capresso defines the ultimate in home coffee equipment with its innovative coffee makers, espresso machines, coffee grinders, automatic water kettles and other kitchen electrics for those who want the best.

Since the birth of the brand in 1994, Capresso has been responsible for numerous industry firsts, from unsurpassed technology for the CoffeeTEAM line of coffeemaker/conical burr grinder combinations to innovative new espresso makers, water kettles and automatic milk frothers that stand out for their advanced features.

The Power of a Market Leader

The Capresso brand is marketed by JURA Inc., the U.S. leader in premium coffee equipment for the home.

JURA Elektroapparate AG of Switzerland is the sole owner and parent of all JURA Inc. operations. JURA Elektroapparate AG is the global market leader in the premium segment of automatic coffee centers, which it sells in over 50 countries.
