

# COSCO®

**solid value | smart design**

70 years ago, COSCO started as the Columbus Specialty Company in Columbus, Indiana. It's where we got our name and it's a place we're happy to call home. Many of our products are still made right down the street, and families have loved our high chairs, car seats, play yards and other items for generations. Over the years, we've never lost sight of the importance of having fun with our families and making life a bit easier for everyone. We know you will enjoy the simple, smart, and fun life that COSCO helps you live.

## **SIMPLY SMARTER LIVING**

To keep your family moving forward, it's not about having more stuff, it's about having more smarts. COSCO baby gear is designed for simply smarter living. Our products help busy families accomplish what they need to get done, which gives them more time to have fun doing the things they want to do. With COSCO, they can.
