

COMPANY HISTORY & SERVICE

History

- Supersonic is a privately owned business that was established in 1981. Two brothers, Steve and David had a strong vision of building a great company focused on marketing consumer related product to the masses. Almost 40 years later, Supersonic stands strong on its vision and remains as one of the leading manufacturers in Consumer Electronics. Supersonic produces quality merchandise of exceptional value featuring the latest trends and technology. With over 100 years of combined experience in the industry, the Supersonic team has developed a complete line of Consumer Electronics products and has generated brand recognition nationally & internationally in United States, Latin America, and Canada.

Product Line

- Supersonic offers one of the most comprehensive consumer electronic product lines in the CE arena. Our current line of products include: Tablets, LED TV's, Smart home and Qi charging, True Wireless, Alexa-enabled, Health & Fitness Gadgets, Bluetooth Speakers and Headphones, DJ Speakers, Home Theater, Stereos, Executive Micro Systems, Gaming Accessories and much more. *Our products can also be included in bundle programs adding a competitive edge and excellent value.*

Customer Service

- Our driven management team and extremely motivated internal support staff are fully dedicated to providing our customers with technical support and product information. The Supersonic Headquarters and our 70,000 square foot facility is Located in Commerce, CA. We stock all of our merchandise to ensure fast delivery! We also have two offices overseas in Hong Kong and Shenzhen, China that are completely equipped to furnish our customers and sales organization with every aspect of global logistical, purchasing, & sales support.
