

ABOUT KAITO

Kaito Electronics, Inc. is a 20-year-old radio manufacturer specializing in Solar & Hand Crank-Powered radios, Shortwave Radios, WIFI Internet radios, radios with music players & recorders, and other unique consumer electronics products.

We have been specializing in the manufacture of Solar powered products for 20 years now and pride ourselves on being the primary manufacturer of Solar and Emergency radios for the U.S. & British Military. We have shipped millions of radios worldwide, for use in the farthest reaches of the globe, for both military personnel and for humanitarian purposes. Over the years we've grown to be a leader in radio technology trends. We pride ourselves on our product design, reliability, and flexibility to react quickly to the demands of changing technology and the marketplace.

Our mission is and has always been to deliver superior and reliable products at reasonable prices. In addition, our goal is to create unique radios that enhance your life and the life of your family, from both a functional/safety to travel & entertainment with our compact standpoint, with our Solar & Hand-Crank radios, Shortwave/Multiband and WIFI Internet radios.

We aim to make radio a new, exciting, and multi-faceted experience for the consumer. A Radio Revolution.
